

Webmaxy Anti-Slavery and Human Trafficking Policy

Modern slavery is a crime and a violation of fundamental human rights. It takes various forms, such as slavery, compulsory labor and human trafficking, all of which deprive a person of their liberty by another in order to exploit them for personal or commercial gain.

Webmaxy has a zero-tolerance approach to modern slavery and pledges to act ethically and with integrity in all business dealings and relationships to ensure modern slavery is not taking place.

Team Members are encouraged and morally obligated to raise concerns or suspicions about any issue of modern slavery or human trafficking at the earliest possible stage to Webmaxy's Compliance Team at compliance@webmaxy.com. Webmaxy's Compliance Team will investigate the concern raised and keep the person who reported the matter informed of the status of the investigation. If the investigation validates the initial concern the matter will be escalated to Webmaxy's Executive team to terminate the relationship involving the offending party and the matter will be reported to the appropriate legal authorities.
